Dear Friend of Scouting,

Please help us to secure funding for the Upgrade of our Campsite at Avondyke

As part of its support for Scouting, Clyde Region is responsible for running Avondyke Scout Training Centre which is situated just outside Stonehouse in South Lanarkshire.

Avondyke has been used by many Scout Groups for more than 30 years where we can introduce our youth members to camping and outdoor activities.

The building at Avondyke needs upgrading and we have applied for a grant from the RBS Community Force Grants Scheme which if successful, will secure £6,000 to make the building wind and water tight and help secure its future as an accessible campsite in a rural community.

We see the long term future of Avondyke as being key in enabling local Scout Groups across Clyde Region to get outdoors, enjoy safe, adventurous activities & give young people the chance to go camping.

To secure this funding, we need your help.

Please spare a few minutes of your time, go to <http://communityforce.rbs.co.uk/project/1028> and vote for our project. The more votes we get, the greater our chance is of securing this money.

If you have a Facebook or Twitter account, please post a message on there to encourage as many of your friends and family as possible to vote for us. Please feel free to copy and paste the message from our Facebook page at <http://clyd.de/fb>

Thanks, in anticipation for your help.

Yours sincerely,

Gary Bainbridge.
PR & Development Officer.
